By signing this Contributor Agreement I agree both to the above provisions and to the terms of the agreement outlined below.

## **TERMS OF THE AGREEMENT**

### **Copyright**

While copyright remains mine as the author, I hereby authorise SAGE to act on my behalf to defend my copyright should it be infringed and to retain half of any damages awarded, after deducting costs.

### **Warranties**

I warrant to SAGE that the Contribution is my original work, that I have the full power and authority to enter into this Agreement and to convey the rights granted herein to SAGE and to submit the work for first publication in the Journal and that it is not being considered for publication elsewhere and has not already been published elsewhere, either in printed or electronic form, that I have obtained and enclose all necessary permissions for the reproduction of any copyright works not owned by me (including artistic works, e.g. illustrations, photographs, charts, maps, other visual material, etc.) contained in the Contribution and any Supplemental Material I provide and that I have acknowledged the source(s), that the Contribution and any Supplemental Material I provide contain no violation of any existing copyright, other third party rights or any libellous or untrue statements and do not infringe any rights of others, and I agree to indemnify, defend and hold harmless SAGE against any claims in respect of the above warranties. I further agree to be bound by the Conditions of Publication provided herein as part of this Agreement which outline the circumstances under which work may be reused.

### **Declaration of Conflicting Interests**

I certify that:

1. All forms of financial support, including pharmaceutical company support, are acknowledged in the Contribution
2. Any commercial or financial involvements that might present an appearance of a conflict of interest related to the Contribution are disclosed in the covering letter accompanying the Contribution and all such potential conflicts of interest will be discussed with the Editor as to whether disclosure of this information with the published Contribution is to be made in the Journal.
3. I have not signed an agreement with any sponsor of the research reported in the Contribution that prevents me from publishing both positive and negative results or that forbids me from publishing this research without the prior approval of the sponsor.

4. I have checked in the manuscript submission guidelines whether this Journal requires a Declaration of Conflicting Interests and complied with the requirements specified where such a policy exists.

It is not expected that the details of financial arrangements should be disclosed. If the Journal does require a Declaration of Conflicting Interests and no conflicts of interest are declared, the following will be printed with your article: 'None Declared'.

### **Termination**

SAGE, in its sole, absolute discretion, may determine that the Contribution should not be published in the Journal. If in the rare circumstance the decision is made not to publish the Contribution after accepting it for publication, then all rights in the Contribution granted to SAGE, shall revert to you and this Agreement shall be of no further force and effect, and neither you nor SAGE will have any obligation to the other with respect to the Contribution.

### **Counterparts; Facsimile**

This Agreement may be executed in counterparts each of which shall be deemed the original, all of which together shall constitute one and the same Agreement. A faxed copy or other electronic copy shall be deemed as an original.

### **Electronic Signature Authorization**

This transaction may be conducted by electronic means and the parties authorize that their electronic signatures act as their legal signatures of this Agreement. This Agreement will be considered signed by a party when his/her/its electronic signature is transmitted. Such signature shall be treated in all respects as having the same effect as an original handwritten signature. (You are not required to conduct this transaction by electronic means or use an electronic signature, but if you do so, then you hereby give your authorization pursuant to this paragraph.)

### **Modification; Entire Agreement; Severability**

No amendment or modification of any provision of this Agreement shall be valid or binding unless made in writing and signed by all parties. This Agreement constitutes the entire agreement between the parties with respect to its subject matter, and supersedes all prior and contemporaneous agreements, understandings and representations. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions, and this Agreement shall be construed in all respects as if any invalid or unenforceable provision were omitted.

### **Governing Law; Arbitration**

This Agreement shall be deemed to be a contract made in England and shall be construed and applied in all respects in accordance with English law and the parties submit and agree to the jurisdiction of the English courts.

If any difference shall arise between you and SAGE touching the meaning of this Agreement or the rights and liabilities of the parties thereto, the same shall be referred to the arbitration of two persons (one to be named by each party) or their mutually agreed umpire, in accordance with the provision of the England Arbitration Act 1996 or any amending or substituted statute for the time being in force.

### **Supplemental Material**

Supplemental Material includes all material related to the Contribution, but not considered part of the Contribution, provided to SAGE by you as the Contributor. Supplemental Material may include but is not limited to datasets, audio-visual interviews including podcasts (audio only) and vodcasts (audio and visual), appendices, and additional text, charts, figures, illustrations, photographs, computer graphics, and film footage. Your grant of a non-exclusive right and license for these materials to SAGE in no way restricts re-publication of Supplemental Material by you or anyone authorized by you.

- You may not post the published article - **version 3** - on any website or in any repository without permission from SAGE.
- When posting or re-using the article please provide a link to the appropriate DOI for the published version of the article on SAGE Journals (<http://online.sagepub.com>).

**All commercial or any other re-use of the published article should be referred to SAGE. More information can be found at:**

When posting or re-using the article, you should provide a link/URL from the article posted to the SAGE Journals Online site where the article is published: <http://online.sagepub.com> and please make the following acknowledgment **'The final, definitive version of this paper has been published in , Vol/Issue, Month/Year by SAGE Publications Ltd, All rights reserved. © [The Author]**

**SAGE's use of the work**

Although you have retained the copyright in your article, you have granted SAGE an exclusive licence to use it. This helps us to ensure adequate protection against infringement of copyright protected material through breach of copyright or piracy anywhere in the world. It also ensures that requests by third parties to reprint or reproduce a contribution, or part of it in any format, are handled efficiently in accordance with our general policy which encourages dissemination of knowledge inside the framework of copyright.

Where practicable, you will be informed of requests to re-use your article. This does not apply to blanket arrangements covering the Journal as a whole. Please keep our mailing list up to date with your institutional or business address changes to help us to do this. Inadvertent failure to inform you will not constitute a material breach of this Agreement.

**Your responsibilities: inclusion of other copyright material**

SAGE is sympathetic to the needs of scholars to include other copyright material, and is happy to provide guidance on this. Responsibility for obtaining permission to use any other copyright material rests with you as the author of the Contribution.

If your contribution includes material which is not your copyright, you are responsible for submitting with your manuscript the written permission from those who control copyright in that material to include it and reproduce it within your Contribution. In most cases this will be the publisher of the work. As the journal is available in both print and electronic media and may be translated or archived, this permission needs to be for all media in all languages in perpetuity. You are responsible for the payment of any permission fees.

**Fair Dealing information for your reference:**

**Fair Dealing** provisions under UK copyright law and/or the **Fair Use** provisions under US law for use of material in review, and/or other International Copyright Laws allow for the limited use of third party copyright materials in particular circumstances, without the requirement to obtain permission as above.

The term 'fair dealing' is not defined in UK legislation itself but should be viewed from a qualitative as well as a quantitative perspective. There are no set rules which cover what is or is not fair dealing. For guidance:

- Fair dealing can only apply to material used for specific purposes including those of criticism and review and news reporting and incidental use.
- Permission should always be sought where reproduction could reasonably be construed as competing with the sale of the original source and/or where the amount of copying is substantial.
- Whether you are including material with permission, or on the basis that it falls under 'fair dealing' or 'fair use', you must include acknowledgement of the copyright holder and original publication of the material.

**If you are in doubt, please ask for advice from SAGE or the journal editor.**
